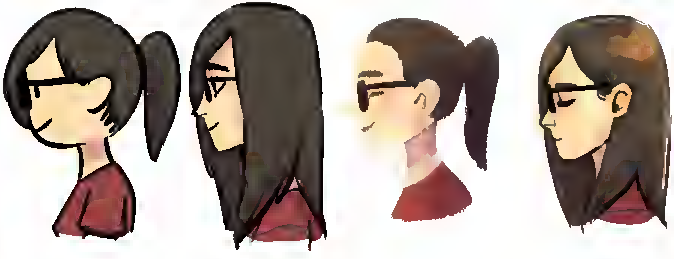
ROAR STREET JOURNAL

What If...

For readers who know me from this comic,
some thought I only draw animals.
Hi!

For those who are more familiar with my art,
you know I draw humans too.
And I draw them in different styles.



These are all my self portraits.

For this What If episode,
since so many of you asked for RSJ as human characters...

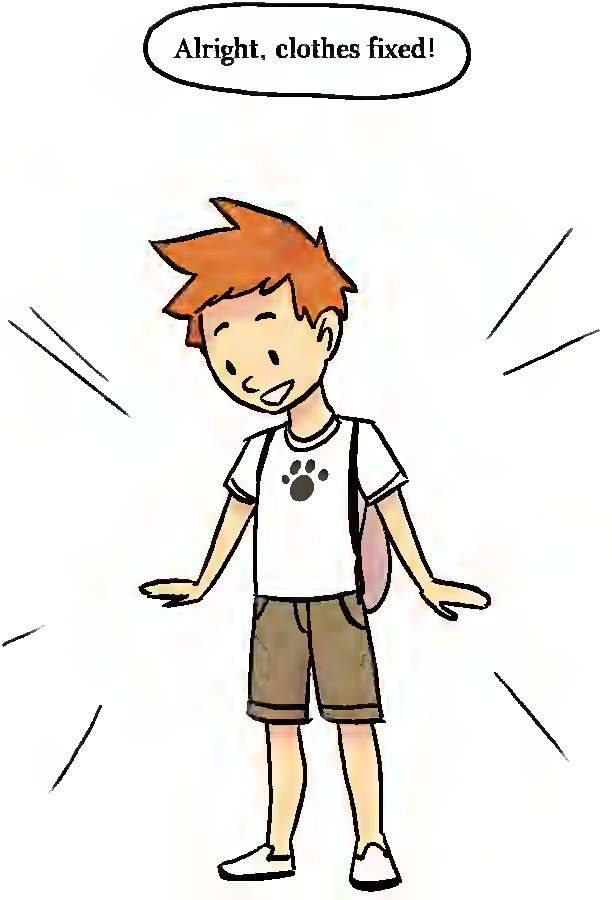
I will grant you the ~~gift~~ curse of turning into a human for a day!

WHAT IF...
RSJ were
HUMAN?

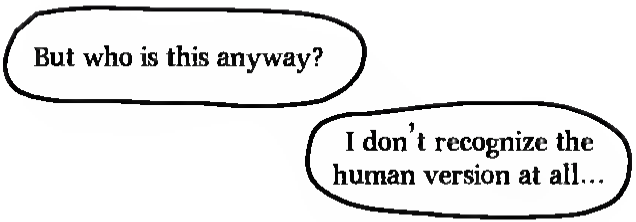
Poof!

? ? ?
!
Ahh! Who's this boy?

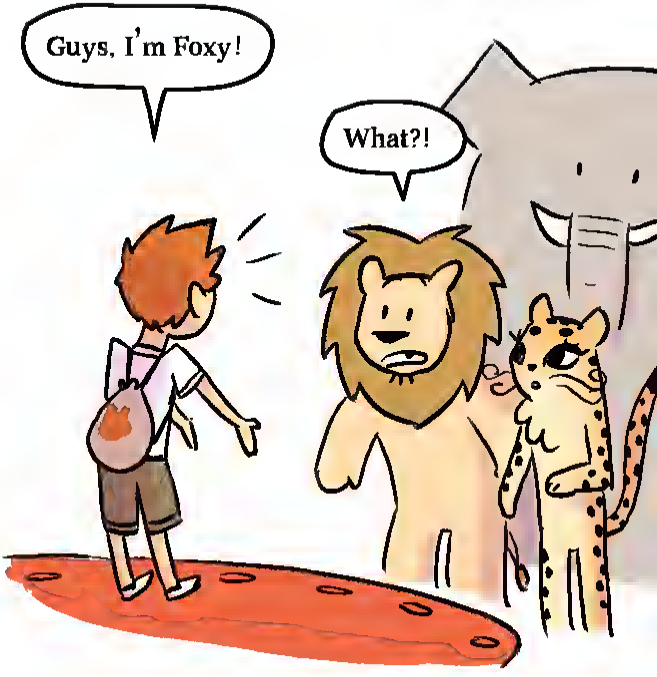
Oops, I forgot to add clothes.
Since everyone didn't wear clothes in RSJverse
my eyes!



Alright, clothes fixed!



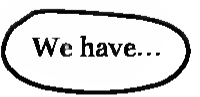
But who is this anyway?
I don't recognize the human version at all...



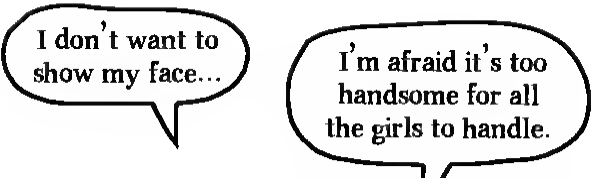
Guys, I'm Foxy!
What?!

See, there's even a fox on my backpack!

Let's get this show going!
RSJ
HUMAN
SHOW



We have...



I don't want to show my face...
I'm afraid it's too handsome for all the girls to handle.

Well? Have you fell in love yet?
pfft-

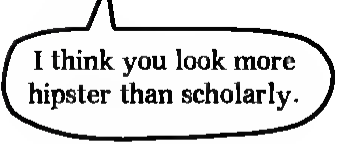
What's so funny?
Your stubble didn't change...
hahaha

Coming up next...

By the way, I don't understand why we are on a catwalk...

I didn't wear glasses as a dog.
Is this a decoration?

Yes, it is a decoration.
Why? Do I look more scholar-like with this type of glasses?



I think you look more hipster than scholarly.

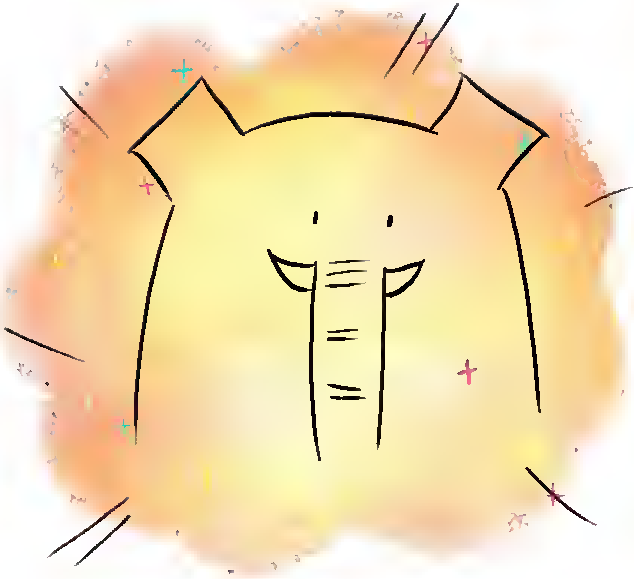
Here comes...

...I'm still fat.
I thought I could be slimmer.

Oh, you want to be slimmer?

Fat-reduced Tiager

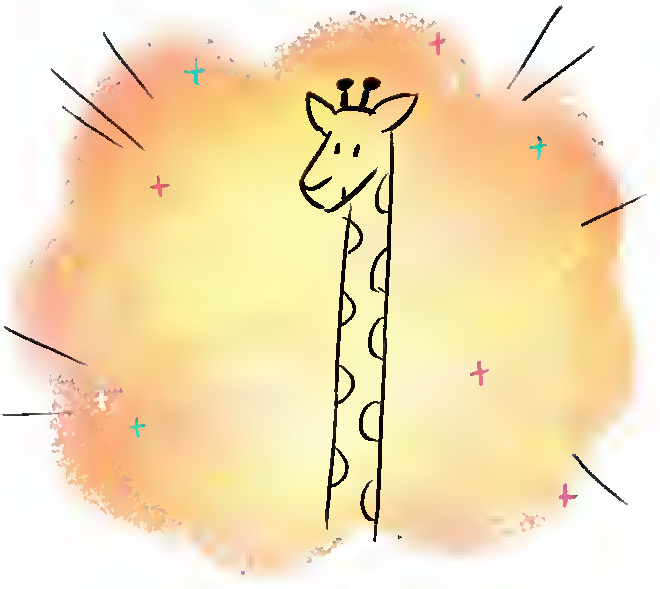
Wow, you look great!



Master.

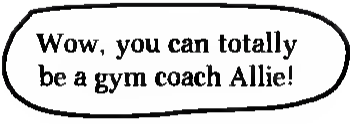
Oh my grapes!
I look terrible!
Why is my skin pink?!
I have thining hair too?!

I can't accept my human version!
I demand a refund - redesign!
It's alright... it's for a day only.



Oh, I'm tall as usual!
I actually look pretty good!
With a nice fashion sense too!

Achoo!
Bless you.
You kinda remind me of a tall friend who's pretty handsome.



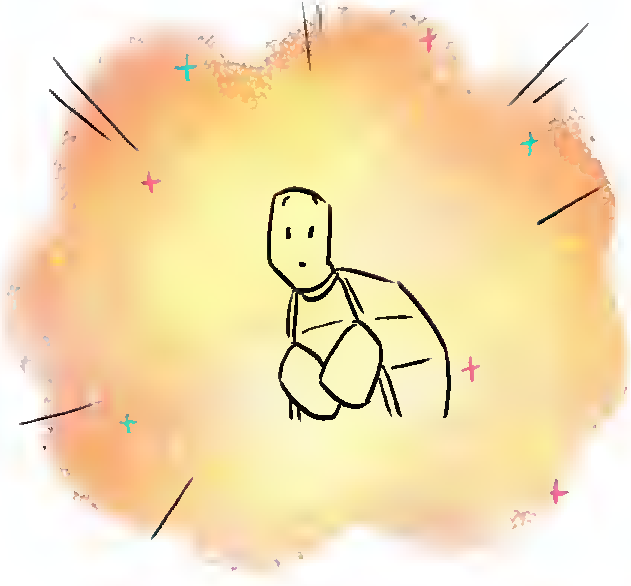
Wow, you can totally
be a gym coach Allie!

I'm more curious about my face...
...I still look scary.

But my sharp teeth are gone.

Wow, Anntelope is so beautiful!
Really?

Umm.. what about Anna?
Sorry, my spell is only effective on the main RSJ characters...



My back is still so heavy...
Is my glasses a decoration too?

...No.

Ohh, I look just as I imagined!
I love my pink hair so much!

We look matching as a human couple as well!
Don't you think so?

Wow, Po's white hair is so pretty!

Before RSJ

After RSJ

And finally...

This is great!
I like my style!

Horsie! Do you want to join us for shopping?
I'll get manicured too!
Nah, I'll play basketball with Tiager.
Time is short!

Have fun guys!
Enjoy your human-day!

Wait - how about you Bonnie?
I told you before, my animal is a flying unicorn.
So I don't need to change --

ZAP!!

Enjoy your animal-day Bonnie.
